

CASE STUDY

Camels & Carols

St Etheldreda with St Clement Fulham hosted a festive community event on Fulham Palace Road, featuring a procession of three real-life camels through the parish streets. The celebration continued outside St Etheldreda's Church with outdoor carols and stalls offering food and drinks, creating a magical blend of tradition and festive spirit that attracted families and individuals from across the area.

Calvin Hanks Event Safety ensured the event ran smoothly and safely by reviewing the event safety plan, conducting a site visit, and preparing a crowd risk analysis. On the day, they acted as the Event Health & Safety advisor, provided a safety barrier vehicle with a specialist driver, and coordinated with the SIA security and traffic management teams.

"Your service was very honest and professional and the advisor was approachable and a good public face for our church. It made us safer on the day and in alerting us to safety concerns in advance."

Fiona,
Organiser lead Camels & Carols

Calvin Hanks' team expertly provided full Health & Safety compliance support for the Carols & Camels event, aligning all operations with HSE guidelines. Our comprehensive services included:

Pre-event

-  Reviewed the client's event safety plan to ensure key measures were covered.
-  Conducted a thorough site visit to assess potential risks and logistical needs.
-  Prepared a comprehensive crowd risk analysis tailored to the event.

Live Event

-  Acted as Event Health & Safety and crowd risk advisor.
-  Provided a safety barrier vehicle with a specialist driver.
-  Coordinated with the SIA security team and road closure traffic management.
